Regression Prevention Audit Document

Section Header in Times Roman Serif Family

ALERT: Important highlighted notice with red styling text.

Math Formula: $\alpha + \beta = \sum$

H_2O and CO_2 Aqueous Solution

This paragraph represents a continuous multi-line paragraph block across multiple lines.
It maintains precise paragraph geometry, font metrics, line height and text alignment.
Every character and attribute is preserved end-to-end through the conversion pipeline.

Key Principle: Zero regressions in style or geometry allowed.

DeviceCMYK Technical Note: Calibration parameter = 0.84.

DeviceGray Footnote: Mid-tone neutral reference tone.

$$\mathbf{v} = \sqrt{\frac{2GM}{R}}$$
